

## Gandhi as Change-Maker

“If you don’t ask, you don’t get.”

“First they ignore you, then they laugh at you, then they fight you ... and then you win.”

“Poverty is the ultimate form of violence.”

“The difference between what we do and what we are capable of doing would suffice to solve most of the world’s problems.”

“Whatever you do will be insignificant, but it is very important that you do it.”

“The future depends on what we do in the present.”

“To believe in something, and not to live it, is dishonest.”

- Mohandas K. Gandhi
